

“Getting distracted by negative noises is the only real obstacle to **achieving your dreams**”

Biography

As an expert in Managing Change, Transforming Culture, and Driving effective Strategy Formation, Talent Acquisition and Retention, and Process Design, Dr. Nahla Khaddage Bou-Diab has been recognized as a credible leader, earning 7 awards for leadership excellence since 2015.

Nahla is considered an expert in building organizational resilience, she has earned her Doctorate Degree from University of Liverpool, for her research on «Spirituality in the Organization», which was recognized as an important contribution to both scholarly and practitioner knowledge. She is the Head of Women Empowerment for the World Union of Arab Bankers, and in that capacity, Nahla broke new grounds by launching the first charter for Gender Diversity in the Arab World, the charter was approved and formalized by WUAB's board of directors, and has been featured by OECD in their June 2020 publication. Nahla has been featured in the media on multiple occasions to share her expertise on organizations, gender diversity, and managing change.

With over 37 years of experience in Senior Management in Canada and Lebanon, Nahla led the restructuring of several organizations in Canada including her contribution to the reorganization of the Central Bank of Canada. She moved to Lebanon in 1997 where she launched Management Consulting Services for Ernst & Young Lebanon. Nahla taught «Change Management» in the Executive MBA program at American University of Beirut for 10 years, until 2017. In addition, Nahla also provided mentorship and contributed to the success of many start-up companies, as part of the Endeavor Entrepreneurs program.

Nahla joined AM Bank s.a.l. in the year 2000 and is currently the Deputy General Manager-COO of the Bank. She is an active Mentor at Endeavor, and volunteers her time to support SMEs by helping young entrepreneurs to effectively drive their business. She also provided mentorship and contributed to the success of many start-up companies, as part of the Endeavor Entrepreneurs program.

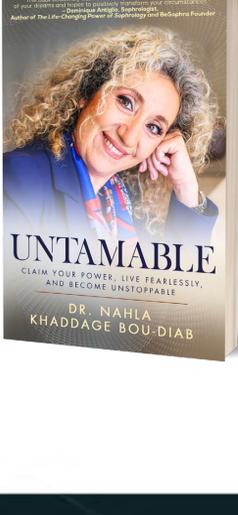

Book Description

Turning a hardship into profound personal growth is absolutely possible—even in the face of insurmountable challenges—with the simple yet powerful lessons presented in *Untamable: Claim Your Power, Live Fearlessly, and Become Untoppable*.

Using her own painful and extraordinary story, Dr. Bou-Diab illustrates how she overcame adversity and achieved success, to become the industry leader she is today. *Untamable* shares how to:

- Learn to unleash the power of your thinking, and free yourself from negative distractions
- Discover reliable and simple evidence-based method for transformation
- Develop a greater sense of awareness in business and everyday life
- Trust and connect to a Universal Power
- Tap into the powerful flow of gratitude daily
- Let go of what you can't control and become the master of your future

In this accessible and highly motivating book, Dr. Bou-Diab teaches a reliable and simple evidenced-based method for transforming your hardships into success. You will learn how developing your awareness, trusting and connecting to a universal power, feeling gratitude, and letting go of what you don't control can make you the master of your future, no matter how many odds are stacked against you.

Recommendation

Part novel, part self-help guide, *Untamable* is a compelling personal story of one woman's ability to turn challenges into opportunities, and the lessons we can all take from her journey. In the first half, Dr. Nahla Khaddage Bou-Diab shares the personal and professional struggles she faced throughout her life, from assimilating to new countries to navigating low family expectations for girls to managing workplace harassment. She then uses these experiences to illustrate how we can all shift our thinking, and – in her words – “to see challenges as opportunities for growth.” How? By adopting core guiding principles that help us achieve greater happiness and reach our full potential. I can't think of a more important message. - Catherine Sanderson, PhD, Author of *The Positive Shift*

An inspiring story of how letting go and being one-with the universe can let come exactly the life that is ours to lead and learn from. - Ginny Whitelaw, PhD, author of *Resonate*, CEO of Institute for Zen Leadership

Every person has a purpose, a calling, and unique dreams that are ours alone. Dr. Nahlaa Khaddage Bou-Diab's insightful book demonstrates how to thrive, meet life's challenges head-on with confidence—providing a pathway to understanding how to manifest our dreams and live an authentic life.” - Maryann Ridini Spencer, award-winning screenwriter/producer, *Simply Delicious Living* TV host and author of the *Kate Grace* Novels «*Lady in the Window*,» «*The Paradise Table*,» and «*Secrets of Grace Manor*»

Untamable gives you the straight path to light up your heart and connect with the love in you and the universe. Dr. Khaddage Bou-Diab through her transparency shares her pain and light, dualities and integrity, and the essence of what makes each human being a success story - Love! - Dr. Fooljan Zeine - Renown Psychotherapist and the author of «Life Reset: The Awareness Integration Path to Create the Life You Want»

In *Untamable: Claim Your Power, Live Fearlessly, and Become Untoppable*, Nahla Bou-Diab deep dives fearlessly into her own journey with courage and optimism. Her insights offer a powerful light to any reader stumbling through the darkness of life's adversities. If you are looking for a way to find the blessings in misfortune, let Bou-Diab be your guide. -- Laurie Nadel, Ph.D. *The Five Gifts: Discovering Hope, Healing and Strength When Disaster Strikes*

Everyday empowerment is at the heart of my work as a sophrologist. This book beautifully illustrates how you can tap into the power of your dreams and hopes to positively transform your circumstances. - Dominique Antiglio, Sophrologist, Author of «The Life-Changing power of Sophrology» and BeSophro Founder
